Beginners Course Information – 2018

As part of the beginner pack, we have included 'Country' Membership to the association for 2018. This enables the beginner to take part in the association's entire programme of events for 2018 and receive regular newsletters.

In 2018, there will be six lectures on consecutive Tuesday evenings. The first lecture will be on Tuesday 24th April 2018 at 7pm prompt. The lectures will be held at the Wolseley Centre – check the link for further information on the Wolseley Centre :

The lectures will be complemented by Saturday apiary sessions that begin on 2nd June 2018. In addition, there will be a honey extraction demonstration on a Saturday in August 2018. The apiary sessions begin at 11.00 am and are held at the Association apiary which is in the grounds of Shugborough Hall at Milford.
